

## Guidance notes – Request for Transcription of Court or Tribunal proceedings

If you want a transcript of proceedings in any court or tribunal (except the Court of Appeal Criminal Division or the Administrative Court\*), please complete form EX107. If you want to order a transcript for more than one case, please complete a separate form EX107 for each different case in which you're interested.

Please note that not all Tribunals record proceedings so transcription services may not be available. Enquiries should be made to the relevant tribunal prior to completion of this form.

EX107 can be sent digitally or by post to the court or tribunal. Contact details for the relevant venue can be obtained via Court Finder at <https://courtribunalfinder.service.gov.uk/search/>. Specific arrangements apply to the Employment Tribunals.

For Civil, Family and Tribunal jurisdictions where you are selecting a transcription company, you are advised to talk with the transcription company before you complete form EX107. If an EX107 is requested by your chosen transcription company this should, where possible, be sent digitally using the e-mail addresses in Section 2a. You may send by post if you do not have an e-mail account.

There may be occasions where a transcript you have requested via the EX107 may have already been produced for HMCTS. There may also be times where the court's authorised Transcription Company provided a stenographer or court logger to make a record of the proceedings. In these circumstances the court's authorised Transcription Company will provide the transcript and the court will tell you who to contact.

Where a transcript is required of a court or tribunal hearing which was held in private (ex parte) the process will vary by jurisdiction as follows:

- a) In cases heard at the Royal Courts of Justice and Crown Courts **and some tribunals** (or if the Court so orders at other venues), where a transcript is required of Court proceedings which were officially designated by the judge as being held in private (ex-parte), authorisation will be required from a Judge. All such transcripts of private proceedings will be produced by the authorised transcription company for the Sensitive Case Service, Opus 2. Due to the sensitive nature of these proceedings, transcription will take place at the Secure Transcription Unit through an attendance based service. Specific arrangements apply to the Employment Tribunals.
- b) In the County Court, for civil cases, non-parties to a designated private hearing must make a formal application to the Court for permission to access a transcript using N244 and pay the appropriate court fee.

In Family (Lower) Court, non-parties to any Family Hearing must make a formal application to the Court for permission to access a transcript, using form C2 for family cases or D11 for divorce cases and pay the appropriate court fee.

If permission is granted to obtain a transcript then form EX107 should be completed as normal and the appropriate transcript cost paid to the transcription company chosen by the applicant (see table B2 below).

- c) For all private and ex parte cases, you are advised to consult with the relevant court prior to completion of the EX107 form.

\*If you want a transcript of a judgment given by the Court of Appeal Criminal Division or the Administrative Court (i.e. the judge's reasons for the decision), please complete form EX107 and e-mail or send it to the official transcribers.

If you want a transcript of any other part of the proceedings, complete form EX107 and email or send it to the Court. See Section 2d for the contact details for the authorised suppliers of Court of Appeal Criminal Division and Administrative Court transcripts.

Please note, if the transcript you require is from a hearing of the Court of Appeal Criminal Division sitting at a regional Crown Court on circuit or from the Administrative Court sitting in the regions then you can choose any of the six suppliers to undertake the work and are not restricted to the authorised suppliers of Court of Appeal Criminal Division and Administrative Court transcripts.

Courts will always try, where possible, to accommodate requests of an urgent nature.
